WOLFSBURG

C A B R I O L E T

What more could you ask for than putting down the hand-fitted top, turning up the AM/FM stereo cassette radio and guiding the sure-footed Cabriolet through its paces with the wind in your hair?

Cruising along in luxury

Inside, the Wolfsburg Limited Edition Cabriolet answers with the luxury of a sporty, full-leather interior. The support of bucket sport seats. A leather wrapped steering wheel. And the ease of power steering. Outside, the excitement increases with larger 185/60 HR14 steel belted radials, unique alloy wheels and sparkling Titian Red or Flash Silver metallic paint. You couldn't ask for more.

You don't even have to ask for a great price. That's standard, too!

The Titian Red Cabriolet features a red and grey leather interior. A blue and grey leather interior is standard on the Flash Silver Cabriolet.

S C I R O C C O

The Scirocco is already endowed with stunning power and performance. A 1.8 liter fuel-injected engine coupled to a 5-speed, close ratio transmission, sport suspension, rack and pinion steering and vented power front disc brakes are standard fare. But now, this Wolfsburg Limited Edition Scirocco enhances the exhilaration with an even longer list of comforts and features.

Adding to the fun

You'll enjoy air conditioning and quick-ratio power steering. Unique cloth reclining sport seats with leatherette bolsters. An AM/FM stereo cassette. Plus racy alloy wheels, body-colored bumpers and mirrors, black-out taillights and a rear window wiper/washer. Whether you choose White, Black or new Tornado Red, this special Scirocco is sure to quicken anyone's pulse.

Sporty alloy wheels and black interior are standard on the Black or Tornado Red Scirocco. The White Scirocco features a white interior and a unique design white alloy wheel.

V A N A G O N

The Wolfsburg Limited Edition Vanagon is the perfect solution for those who like to get away for the weekend, but need a family size wagon for six during the week. Performance and handling are closer to a sedan than a van. That's because it's powered by a 1.9 liter Water Boxer engine with 4-speed manual transmission and equipped with rack and pinion steering, power front disc brakes and a fully independent suspension.

All the comforts of home

While away for the weekend, you'll feel very much at home. Your live-in comforts include a unique pop-top roof with skylight. Two double bedroom areas. A removable refrigerator. Plus a folding side table, cup holders and a fluorescent light. Even a rear-facing seat behind the driver is standard.

All this and more at a price you'll find easy to live with.

Rear bench seat converts to a double bed. The refrigerator may also be plugged into a 110 circuit when not used with the second 12-volt battery.

Once a year astute car buyers eagerly await the introduction of the Wolfsburg Limited Edition Volkswagens. Not just for the sophisticated automotive technology and precise German engineering that have become the Volkswagen hallmark. Nor for traditional Volkswagen virtues of outstanding efficiency, reliability and durability. Quite simply, they look forward to the "extras"—the unique combination of features which make the Wolfsburg Limited Edition models an extraordinary value, even by Volkswagen standards.

The right car at the right time

For 1985, Volkswagen offers a Wolfsburg Limited Edition Cabriolet, Scirocco and Vanagon. Each sports a "Wolfsburg Edition" emblem that proclaims its distinctive styling and features. And each is indeed testimony to the adroitness of its owner for buying the right car at the right time.

Here are just a few of the many comfort and styling features that distinguish these very special Volkswagens: The Cabriolet adds to the excitement of open air touring with a full leather interior, reclining sport seats and gleaming metallic paint. The rewarding performance of the Scirocco is made even more comfortable with air conditioning, power steering, rear wiper and an AM/FM stereo cassette radio with a cassette storage box. And the Vanagon encourages you to leave home, for it is equipped with a pop-up roof, seats six, sleeps four adults and even has a removable refrigerator.

Here today, gone tomorrow

These 1985 Wolfsburg Limited Edition Volkswagens are built in truly limited numbers. And, as usual, the demand will exceed the supply. Once they're gone, they're gone. So don't delay. After all, you're not the only one who can recognize a great deal when you see one.
